// E-PROCUREMENT

THE NEXT GENERATION OF PROCUREMENT.

FLEXIBLE. LOCAL. EFFICIENT. EXPERT. EXPERIENCED.

V-LINE GROUP

Managing Global MRO Complexity

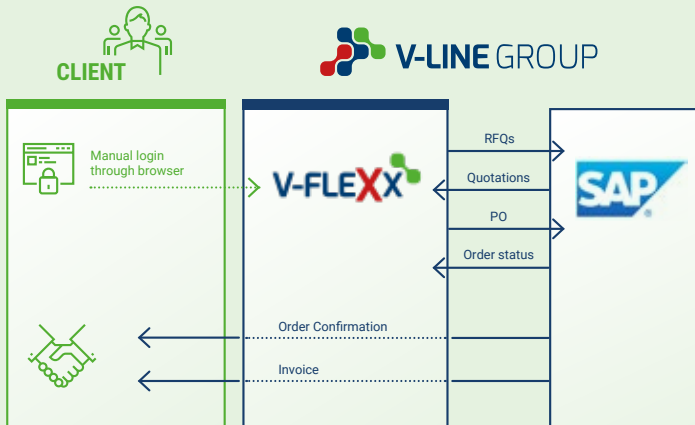

REDUCE THE PAIN OF PROCUREMENT – GO DIGITAL.

Do you feel that traditional procurement methods could be optimized, and that there has to be a digital approach to it? We present you the next generation of procurement: V-FLEXX. Our e-procurement tool is your digital gateway to over 40 million items from US and Europe which are directly accessible. With V-FLEXX, you achieve a high level of performance, quality and control in your procurement process.

V-FLEXX IS AVAILABLE IN TWO OPTIONS:

V-FLEXX One

- ✓ Via web-browser login
- ✓ Flexible check-out setup
- ✓ P-CARD buying
- ✓ Standing PO features

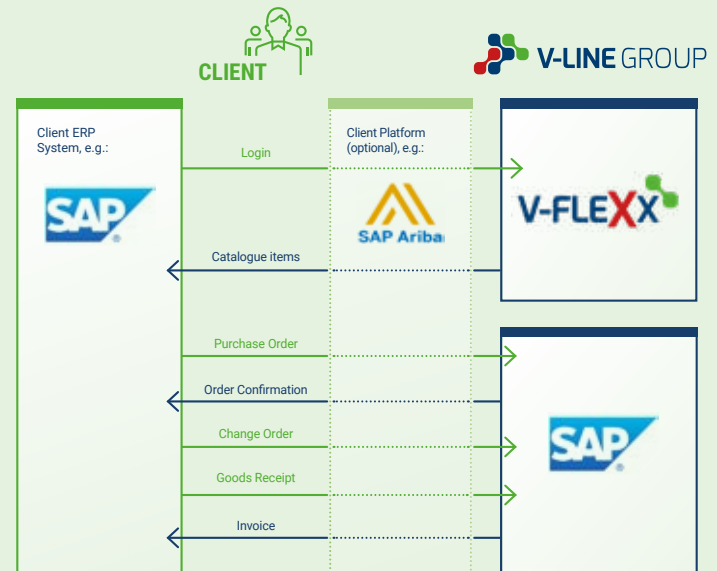

V-FLEXX creates an almost touchless end-to-end process increasing benefits and reducing risk to an absolute minimum.

- ✓ Basic V-LINE content for multiple commodities
- ✓ Content highly individualized:
 - External catalogues of European and US manufacturers and distributors
 - Free text Instant Purchase Orders (IPO)
 - RFQ functionalities
- ✓ Overall solution for uncoded materials
- ✓ Periodically reporting of all spend covered
- ✓ Fully digitalize traditional street buying
- ✓ P-CARD buying
- ✓ 40+ million items from Europe and US

V-FLEXX Connect

- ✓ Via OCI Level 1 Punch-Out
- ✓ Can be integrated into multiple ERP systems directly or through middle ware solutions
